

English Speaking Doctors and Medical Facilities in the Florence Consular District

(The Florence district includes the provinces of Emilia-Romagna and Tuscany)

Disclaimer:

The U.S. Consulate General in Florence assumes no responsibility for the professional ability or reputation of the persons or medical facilities whose names appear on the lists. Inclusion on these lists is in no way an endorsement by the Department of State or the U.S. Consulate General. Names are listed alphabetically and the order in which they appear has no other significance. The information on the lists regarding professional credentials and areas of expertise is provided directly by the medical professional, medical facility or ambulance service. The U.S. Consulate General is not in a position to vouch for such information. You may receive additional information about the individuals by contacting the local medical boards and associations or the local licensing authorities.
